

HILDE AND MARIE!

Thank You!

- Your contribution, time, effort in serving on this committee, your ideas, input, and enthusiasm were most helpful and it has been a pleasure to have had members like you from the industry extend meaningful input.

- “The best way to find yourself is to lose yourself in the service of others.”

— [Mahatma Gandhi](#)

- There is a big difference between service and working for the sake of getting something.
- When you serve, you are not tied to the outcome.
You are not invested in what people do as a result of what you do, or what people think about what you are doing.
- You give what you have because it makes *you* feel good.
- You give what you have because you know that the unique way in which you do what you do will make someone else feel empowered – REGULATORY AFFAIRS.
